About The Brand

Ana Carolina Valencia Jewelry is an artisan luxury jewelry brand that enlightens Colombian traditions, culture and richness through amazing handmade pieces that embody the ancestral art of filigree, the expertise of iraca palmcraftmanship and the beauty of famous Colombian raw emeralds with an exceptional LatinAmerican touch of glamour.

Filigree is a beautiful ancient jewelry technique, where tiny metal threads are knitted by hand like creating sophisticated laces. Iraca palm is a tropical palm that grows in Colombia, from which artisans take their natural fibers, tint and use them to knit traditional craftmanships. Colombian Raw Emeralds are real precious stones in their most natural state as they come straght from the Muzo mines, which have not been cutted or polished, remaining raw and natural.

We use bronze wire and shape it into delicate patterns creating beautiful pieces, which then are goldplated with 24k gold. Our Powerful Filigree, inspired in our country's richness and women empowerment, is being admired around the world while we highlight the know how of our people through extraordinary craftsmanship and design.
