Tetera Bags

The iconic Cuatro Tetas Bags, meticulously handcrafted from Tetera palm, represent one of the most authentic expressions of Colombian art and culture. Woven using ancestral techniques passed down through generations, these bags have become a Cultural Heritage, embodying the richness of our country's craftsmanship.

In our pursuit of honoring this legacy, we have elevated its essence, transforming them into jewelry bags. Each piece is exquisitely adorned with filigree details, bronze threads, and 24K gold plating, fusing tradition with artisanal luxury. The result is a true work of art, where heritage shines with exceptional brilliance, becoming a symbol of exclusivity and cultural pride.

More than a bag, a story woven by hand.

✦ Includes inner velvet bag for more comfort and security!
